

To:

My sweet wifeyy <3

Anu, ever since you've came in my life, it's been fun  
I Still can't believe that it's been two months, feels  
like Yesterday night we were having a chat about your  
bread pfp, anyways, I have never been this lucky in  
my life to find Someone like you who really  
understands me and consoles me, you're that  
unfulfilled dream of mine which I never thought would  
come true, I am so blessed to have a girlfriend like you  
who is as beautiful as a moon, your eyes, I wanna fell  
in them deeply like I fell in love with you,  
your presence, even though online,  
comforts me so much than any person in  
real life does, I know that you love me too  
but it just fees so unrealistic to be true...

At the end I just wanna say that I love you sooo  
muchhh and I am so much in love with you and feel so  
blessed to get you as my partner...

Your's faithful lover,  
Rudu
